Also, the area council hasn't received a cheque from Ontario Council for this year as yet. Laura has to send a financial statement and copies of the four meetings for the year to receive this years money and next years money also.

(B) Br. Bucherer received a resolution from br. Aivalis regarding PSAC Education Budgets. A resolution on Privacy will be sent in through Ontario Regional Council.

(C) Phone Bank for the Provincial Election made 37 calls in one night. Only Bros. Richard and Ralf attended.

TBS Petition Campaign

Kingston has collected approx. 1000 signatures and approx. another 500 from USGE. These Signatures have to be in Toronto by the end of October. They are hoping for 150,000 signatures to be collected altogether to be sent to Tony Clement.

Planned Stewards Assembly

In Sister Laurico's absence Sister Cross explained that Maryanne submitted a proposal that consists of a one day workshop for work force adjustment etc. in Petawawa and Kingston. As of yet, nothing more has been heard on the subject.
